

Menwood Dr

Dear Carrie & all.

I have been so busy I just haven't had time to write. I just never sit down - I have those kids to train you know beside the home work - We are just getting along swell tho not any fusses - I begin to think you must be the one that starts all the quarrels here Carrie were so peaceable Ha Ha -

Mama Robinsons Store are auctioning off there entire stock - every thing is selling so cheap - Maurice bought a \$30.00 watch for 15.00 + some sherbets for 2.50 (for six) that had sold for \$9.00 each - I wonder if

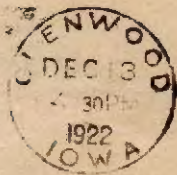

you have bought Bill's razor  
I that I might get a swell one  
for (very cheap) let me know.

Mama Mrs Wallace gave  
me \$2.00 that Aklaine M. left  
we are using the money  
sparing and every thing is  
O.K. we even have a surplus

That's sure too bad about  
Aunt "Sa Hara" - we are  
sort of planning to go over  
Sunday - I'm writing to  
Grandma to see if its O.K.

We can hardly wait till you  
come home it seems years  
almost - Maurice said

Morday "Has it only been a  
week since Ma left" it seems  
three" - we all miss you  
tell Midge & Mike Hello -  
The breakfast dishes are calling so goodby  
Love
